Subject: Agreement for Alstom to provide Train Hostlers for the Confederation Line

Alban
Dear Mr. Houssin,

RTM have received confirmation from RTG and OLRT-C that the Alstom proposal (ALSMNT-RTM-0083) to provide Hostlers for yard movements of LRVs in support of the Confederation Line until such time as UTO functionality is available, is acceptable and agreed.

Alstom are requested to expedite the recruitment, hiring, and training of such personnel in order to ensure the period of Trial Running is supported. OLRT-C have requested that personnel be in place by October 1st 2018 wherever possible.

It is acknowledged by all parties that the number of staff and specific positions indicated in your above referenced letter are estimated, and subject to adjustment (based on quoted unit rates) as mutually agreed by all parties. The duration of this agreement is indeterminate at this time, and shall end upon the implementation of full UTO operations in the yard.

For clarity, this agreement and related rates shall not be subject to escalation for the first 12 months following issuance of your first invoice.

RTM, RTG, and OLRT-C thank Alstom for your continuing commitment and support to the successful operation of the Confederation Line.

Sincerest regards,

A handwritten signature in black ink, appearing to read "Alex R. Turner". The signature is fluid and cursive, written over a light gray background.

Alex R. Turner
Light Rail Contract Manager
